GCSE PE Charades Revision Competition

- Each pair must try to win the card being acted out. The pair with the most cards at end is the winning pair.
- When it is your turn one of your pair must go up, select an envelope and act out what is on the card, no sounds, no drawing!
- In the second round you are also allowed to draw pictures to give clues as well as acting.
- If your pair win you keep the card!
- Please replace cards into envelopes at the end of your session!
- Once you have guessed the term you must explain it in order to win it.
